What Our Fast Forward Partners Say About Their Experience

Simon Zutshi

Property Investors Network Founder

"For the last 4 years I've had the pleasure of being both a partner and participant at the London FFYB events. I've also been personally invited to participate as a guest speaker on Roger's FFYB Change Makers panel where I've had the opportunity to share some of my own learnings with over 650 business owners. I've been recommending my clients to this transformational business event for years now and their feedback continues to be very positive in light of the value they have gained. I've invited over 200 of my best clients to attend the FFYB event and as a result, I'm delighted to say, I've won the 1st prize for being the top Fast Forward Partner for 2 years in the running now Opportunities to create a win-win is abundant with Roger and his team. More importantly, I love being involved with FFYB each year as Roger continues to share "real value" to my clients, and to my own business."

Alma Clark

Owner - Ripple Effect Enterprises

"I've been attending Roger Hamilton's Fast Forward Your Business events consecutively for the past 5 years and it's nothing short of magnificent. Each year I've been implementing the powerful strategies that Roger shares with his audience, and as a result my consulting business has grown firmly year on year. As if that's not enough, more recently I've sat as a promotional partner (not just a participant) at the FFYB London 2015 event and I've made over \$9000 in commissions just from inviting fellow business owners and friends. In fact, it created so much Flow I actually joined the Partnership Team, supporting FFYB Globally! In my opinion, FFYB is one of the best global business events and I would highly recommend that to any business owner."

Diane Leigh

Owner - Dream Seed Magic

"Last year was my 3rd year at Fast Forward Your Business and I was more excited than ever! In that time, my business has gone from a thought-to-thriving all thanks to Roger James Hamilton & his Entrepreneurs Institute Team. Which is why I was so excited to share the experience with my friends, clients and connections as an FFYB London partner. More than a win-win situation, it was a give-give opportunity, where everyone got to experience the lasting benefits."
